About us

Amiran Omid Abadan International Company is proud of its more than 15 years of experience in exporting and wholesale of seafood products, including fish, shrimp, crab, lobster, along with export sales of chicken feet, chicken paw and date, around the world.

Our company by having several factories and shrimp farms in Iran, specializes all the shrimp reproduction processes from A to Z, including hatchery, nursery, reproduction, processing, packaging and finally exporting.

Our company has offices in Iran, Dubai and Oman and it has export history to famous and big countries such as Thailand, China, UAE, Kuwait and Oman and more.

We offer you the best products with the best quality and with the competitive prices.

Please contact us with your needs or for any other inquiries, you may have.

Thanks

Mr. Omid Farhani
